

Our Mission & Vision - What Moves Us to Action

Flowing from our beliefs and values comes our unique mission and vision in God's Kingdom. This is what moves us and motivates us to be like Jesus to a world that needs his power and love.

OUR MISSION

Our mission is to glorify God by seeking the Father's heart, making disciples of the Lord Jesus and spreading the Holy Spirit's fire.

OUR VISION

Our vision is to be a base for God's Kingdom in the heart of Brisbane for the purpose of authentic worship, fervent prayer, caring fellowship, compassionate evangelism, healthy discipleship, sacrificial missions and life-giving revival. Our vision is to be a healthy local church where individuals and families grow secure in the Father's love, equipped to fulfill Jesus' Great Commission and empowered to spread the Holy Spirit's fire. Our target area of ministry is specifically our city, Brisbane, the country regions of Australia and the South Pacific. We envision our church to be a missionary base for this area.

More specifically we have a five-fold vision for our church to reflect the apostolic, prophetic, evangelistic, pastoral and teaching ministry of Jesus. Below is a more detailed sketch of our vision for those who are serious about helping us fulfill God's will.

Our Apostolic Vision:

- To train every believer for the work of ministry
- To build a vibrant, life-giving church in the heart of Brisbane that strengthens other churches and adds positive value to the wider community
- To send out missionaries, ministers and believers to advance God's Kingdom
- To plant new churches and Bible Schools in Australia and the South Pacific region
- To unify with all sincere believers in Jesus, especially form strategic alliances with like-hearted ministries

Our Prophetic Vision:

- To wait on God and hear what he is saying to us as a church, his word to our nation and the world
- To worship God in Spirit and Truth, and to aim to establish 24/7 worship in the heart of Brisbane
- To prophesy God's word, not in a strange irrelevant way, but in a way that touches people's hearts and changes their lives
- To watch and guard God's people, our city and nation from every evil onslaught
- To pray God's Kingdom come and his will is done on earth

Our Evangelistic Vision:

- To reach non-believers through compassionate and respectful evangelism
- To engage the culture of this world with God's alternative
- To win people Jesus in a non-forceful and Christ-like way
- To heal the sick, both outwardly and inwardly
- To deliver people from the power of demonic forces that are keeping them from living a God-glorifying life

Our Pastoral Vision:

- To care for God's people
- To feed the flock God's life-giving and transforming Word
- To lead people down the paths of righteousness, helping them to serve God in their areas of strength
- To protect God's flock, providing a safe and secure place for them to worship without being controlling
- To restore people's souls so that they can fulfill their God-given purpose

Our Teaching Vision:

- To study God's Word so that we may rightly divide the Word of Truth
- To teach Scripture and its principles for life
- To practice God's Word, not just listen to it
- To understand the riches of Scripture so that we may have share it with others
- To mentor those who desire to be disciplined and learn Christ's ways
